Jim N' Nick's Community BBQ has been a supporter of the Ronald McDonald House of Charlotte for almost five years. Providing food and beverage samples during the Celebrity Golf Tournament benefitting the house offered us a new way to show support, AND promote our business. We consider it a "hole in one" when we can give back to our community and at the same time share a sampling of our "scratch-made goodness" as well as our version of "Southern Hospitality."

Big Boss Brewing

Participating in the Ronald McDonald Celebrity Golf Tournament offered us the opportunity for exposure to local business people and celebrities, some of whom had never heard of our product, all while supporting a cause we believe in.
